1) Praisers are praising, The Spirit is having His way

Dancers are dancing the burdens are falling away

Father we adore You, we've come from miles around

To worship and to praise You, we hope You like this celebration sound

(so) let's make a joyful noise

2) Singers are singing and worshippers ready to play

Instruments sounding like God gave them something to say

Father we adore You, we've come from miles around

To worship and to praise You, we hope You like this celebration sound

(so) let's make a joyful noise
