chorus X4

G A Bm (Bm A)
I will Live for You

interlude

A Bm X2 (OR 4)

You will give me all the leading that I'll ever need to lead
You will germinate the seeding as we plant the final seeds
-You will water what's been planted and we'll add upon it love, You'll leave no worker empty
handed You'll equip them from above
There's just one course of action-one good thing to do;

We won't preach some other gospel- just the one You told us to

**On Your Word we'll be depending we will know it through and through
I will move ahead unfearful like You told me I should do
I'll rule over my emotions I won't let them shape my view
I'll be endless in persistence like You told me I should be
I will stand with other Christians- I'll defend them on my knees**

**When the time has come to lay it down, then lay it down I will
then I'll be with He who bought me with His blood on Calvary's hill -
as we're standing face to face I'll thank Him 'cause I don't deserve it
and He loves me evermore and says 'well done good faithful servant**
